

Conference Schedule

Monday, Sept 16th

- **8.00 – Exhibitors - Exhibition Area Opening**
- **9.30 – Attendees - Exhibition Area Opening**
- **10.00 – 11.00 Plenary Room Session**
- **11.00 – 11.30 Coffee Break**
- **13.00- 14.00 VIP Lunch Buffet – Congress Area**
- **16.30 – Congress Area Closing**
- **17.00 – Attendees - Exhibition Area Closing**
- **18.00 – Exhibitors - Exhibition Area Closing**

Monday, Sept 16th

Morning Session

Room 1

Chairman: Marcello Moresco - IPT Customer Support & Service, **Leonardo**/Maintenance & Service Coordinator, **A.I.MAN.**

11.30: Lifetime solutions roadmap to grant best performance of rotating machines

Mattia Tonati, Head of Lifetime Solutions Europe, **Schaeffler**

12.15: The opportunities and pitfalls of AI for asset management

Sven Strassburg, Principal Solution Architect, Sustainability Software, Europe, **IBM**
Bostjan Gabrijelcic, Asset Management Software Leader, EMEA, **IBM**

Room 2

Chairman: Filippo De Carlo - Associate Professor, **Florence University**/Editor-in-Chief **Manutenzione & Asset Management** Magazine

11.30: How Port of Rotterdam uses Asset Management to facilitate logistics in the port

Giel Jurgens, Asset Owner, **Port of Rotterdam**

12.15: Human-centric amidst the Industry 5.0 timeframe

Jan Stoker, Consultant, Sr, Lecturer, Examiner and Researcher Asset & Maintenance Management, **SSAMM**

Room 3

Chairman: Alessandro Sasso - Maintenance & Transportation Coordinator, **A.I.MAN.**

11.30: Transportation - A Maintenance Manager outside the comfort zone

Flavio Balsi, Engineering Director, **Arriva**

12.15: Maintenance Strategies for the Infrastructure of Cloud Data Centers: a case study

Guido Russo, Professor, **University of Naples**

Room 4

Chairman: Lorenzo Ganzerla - Maintenance & Sustainability Coordinator, **A.I.MAN.**

11.30: Establishing Asset Management Program for new Oil & Gas Facilities

Marwan Albakheet, Reliability Engineer, **Saudi Aramco**

12.15: New ranking in Lubricants positioning

Paolo Piovaneli, Project Manager, **Mecoil Diagnosi Meccaniche**
Giuseppe Adriani, CEO, **Mecoil Diagnosi Meccaniche**

Room 5

Chairman: Fabio Calzavara - *HSE Plant Manager* **Stevanato Group**/Maintenance & Safety Coordinator, **A.I.MAN.**

11.30: Man between Safety and Industrial Ecology

Gabriele Frattini, *DPI Manager*, **Hoffmann Group**

12.15: Condition Monitoring And Energy Efficiency Services: The key to a perfect OEE

Aleandro Azzaro, *COO*, **GMM Group**

Room 6

Chairman: Marcello Pintus - *Head of Reliability & Inspection*, **Sarlux**/Board of Director Member, **A.I.MAN.**

11.30: The Strategic Role of Smart Components and Platforms in the Evolution of the Machine towards an Integrated Communication System

Fabio Bottarelli, *Head of Products*, **Camozzi Automation**

12.15: Speech by **Hydraped**

Room 7

Chairman: Maurizio Ricci - *Maintenance & Digitalization Coordinator*, **A.I.MAN.**

11.30: Lubricants monitoring and filtration interconnected 365 days a year

Fabio Gatti, *CEO & Founder*, **Gatti Filtrazioni Lubrificanti**

12.15: The new frontiers of maintenance: Piacenza Cashmere S.p.A's experience in the Fashion & Luxury market

Davide Vezzù, *COO e Plant Manager*, **Piacenza Cashmere**

Room 8

Chairman: Fausto Villa - *Maintenance OEM & Distribution Coordinator*, **A.I.MAN.**

11.30: Innovation that inspires Businesses: We don't want to satisfy our customers, we want to inspire them!

Sergio Smaniotto, *Division Manager*, **Würth**

12.15: Maintenance Optimization

Bruno Ferri, *Head of Sales Italy*, **Rossi**

Afternoon Session

Room 1

Chairman: Marcello Moresco - IPT Customer Support & Service **Leonardo**/Maintenance & Service Coordinator, **A.I.MAN.**

14.15: Lubrication – Condition-Based - Where are we now, where do we need to go, and how?

Haris Trobradovic, *FLM, Area Sales & Training Manager*, **SDT International**

15.00: How AI can improve Condition Monitoring to serve Prescriptive Maintenance

Luca Barraco, *Country Sales Director*, **Fluke Reliability**

15.45: Digital Twin: Transforming Reality into Digital for Innovation and Efficiency

Enrico Trivini Bellini, *Architect - Laser scanner and BIM modeling*, **AT4S**

Room 2

Chairman: Fabio Fresi - Facility Manager, **Humanitas Gradengo-Cellini**/Coordinator Piedmont, **A.I.MAN.**

14.15: Philips Drachten, a leader in predictive Maintenance

Daniel Caljouw, *Senior Production Engineer*, **Philips Drachten**

15.00: SKF Industrial Bearings Remanufacturing resets bearings' original life potential

Sebastien Blachere, *Programme Manager*, **SKF Group**

15.45: Speech by **Baker Hughes**

Room 3

Chairman: Stefano Dolci - Board of Director Member, **A.I.MAN.**

14.15: Speech by: Mattia Tamarozzi, *Head of Pavement Management System*, **Aeroporti di Roma**

15.00: Construction and Application of Intelligent Maintenance information System based on Industrial Big Data

Baoquiang Xu, *Associate Professor*, **Guangzhou University**

Room 4

Chairman: Lorenzo Ganzerla - Maintenance & Sustainability Coordinator, **A.I.MAN.**

14.15: Sustainability means People Development

Gabriele Guzzetti, *Operations Director*, **Galbusera**

15.00: Leveraging Energy Centered Maintenance to Reduce Emissions, While Ensuring Uptime

Kalyan Meduri, *Head of Sales Europe & Africa*, **Nanoprecise**

Organized by

Monday, Sept 16th

Room 5

Chairman: Fabio Calzavara - *HSE Plant Manager* **Stevanato Group**/Maintenance & Safety Coordinator, **A.I.MAN.**

14.15: Beyond the Cage: Understanding Systemic Safety Dynamics in Human - Robot Collaboration

Nicole Berx, *Post Doctor Researcher*, **KU Leuven**

15.00: A full spectrum of Hot cast polyurethane solutions for industry's processes

Marco Chouridis, *CEO*, **Politec**

Room 6

Chairman: Marcello Pintus - *Head of Reliability & Inspection*, **Sarlux**/Board of Director Member, **A.I.MAN.**

14.15: AI and how SKF will save your digitalization journey

Chris James, *Condition Monitoring Systems*, **SKF Group**

15.00: MRO: 7 challenges and 1 strategy to address them. Integrated solutions that reduce the TCO of the procurement process

Cristian Ambrosini, *Key Account Director* **Rubix**, **Rubix Solution**

Room 7

Chairman: Maurizio Ricci - *Maintenance & Digitalization Coordinator*, **A.I.MAN.**

14.15: Surfing the Future of Maintenance with Present Data

Marco Allario, *Product Manager*, **Factory Software**

15.00: Restoring inherent system reliability: Harnessing APM and advanced analytics

Siddhanta Suryabansh, *Senior Pre-sales consultant*, **Hitachi Energy**

Room 8

Chairman: Francesco Gittarelli - *Maintenance & Training Coordinator*, **A.I.MAN.**

14.15: Speech by RICAM Group

15.00: Augmented Reality for Operators Training in Complex Machinery Setup

Renzo Odorizzi, *Technical Service & Equipment Engineering S. Manager Merano Plant*, **MEMC Electronic Materials**

Dr Ing. Luca Gualtieri, *Assistant Professor*, **Libera Università di Bolzano**

Morning Session

Room 1

Chairman: Giuseppe Adriani - Board of Director Member, **A.I.MAN.**

11.30: How operation and Maintenance can affect the energy Consumption of a HealthCare Facility

Fabio Fresi, *Maintenance Manager*, **Humanitas Cellini**

12.15: Gearbox RCFA in the food industry: learning lessons and on line vibration measurement system advantages

Sandro Berchiolli, *Co-Founder & CEO*, **ISE**

Domenico Pascazio, *Business Development Manager Northern Italy Branch*, **ISE**

Room 2

Chairman: Marcello Moresco - IPT Customer Support & Service **Leonardo**/Maintenance & Service Coordinator, **A.I.MAN.**

11.30: Optimizing Turnaround and Project Management with TACS Suite

Edwin Van Doeselaar, *Founder & Chief Technology Officer*, **Advando Group**

12.15: Trenchless - A new paradigm for pipeline maintenance

Karim Sergio Ladjeri, *AD*, **Ekso**

Room 3

Chairman: Rinaldo Monforte Ferrario - Board of Director Member, **A.I.MAN.**

11.30: Let SMC guide you towards monitoring and reducing operational costs

Marco Zagatti, *End User Country Leader*, **SMC Italia**

12.15: Achieving more with less: The industrial benefits of synthetic lubricants

Giovanni Gagliardi, *Senior Field Engineer*, **Exxon Mobil**

Room 4

Chairman: Lorenzo Ganzerla - Maintenance & Sustainability Coordinator, **A.I.MAN.**

11.30: How can Maintenance and Asset Management contribute in achieving the European goals for Energy Efficiency and Emission Reduction?

Wim Vancauwenberghe, *Maintenance Evangelist & Director*, **BEMAS**

12.15: Lubrication fluids, power and process: stories of sustainability

Gianfranco Rossi, *Product Manager of Process Technology and industrial hydraulic filtration*, **Hydac**

Giuseppe Ferrari, *Technical Office Manager*, **Hydac**

Helmut Hegger, *Product Manager Filtration*, **Hydac**

Tuesday, Sept 17th

Room 5

Chairman: Fabio Calzavara - *HSE Plant Manager Stevanato Group/Maintenance & Safety Coordinator, A.I.MAN.*

11.30: How the Flowserve Energy Advantage Program can optimize pumping systems to reduce energy consumption and increased reliability, using a holistic system approach

Marco Pennisi, *Area QRC Manager Italy, Flowserve*

Tim Bastiaansen, *Field Data Analys, Flowserve*

Andrea Tesoro, *Sales Manager Aftermarket Business Development, Flowserve*

12.15: Machinery revamping and maintenance: best practices and responsibilities from safety regulations and standards

Luca Reppele, *CTO, Contec Industry*

Room 6

Chairman: Stefano Dolci - *Board of Director Member, A.I.MAN.*

11.30: The Era of the Digital Reliability Platform: Proactive Maintenance and Increased Asset Reliability through the Integration of AI and Industrial Digital Twin

Ilaria Michelizzi, *Southern EU Pre-Sales Manager, Aveva*

Roberta Rossetti, *Senior Consultant Pre-Sales, Aveva*

12.15: Mechatronics: the value of the refine data in the component

Andrea Camisani, *R&D Director, Camozzi Automation*

Room 7

Chairman: Marzia Mastino - *Responsabile for reliability technology, Sarlux/Coordinator Sardinia, A.I.MAN.*

11.30: Collaboration boosts Digitalization – How European electricity grid operators share data to train better AI-models

Theo Haustein, *Managing Consultant - Co-Lead Innovation Practice, Infront Consulting*

Thomas Sindemann, *Co-Founder and Partner, Infront Consulting*

12.15: AI Driven Maintenance: a supply chain application

Marco Di Rienzo, *Insite Manager, Verzolla*

Silvano Asnaghi, *Senior Researcher and Technical Director, IRMAP*

Room 8

Chairman: Fausto Villa - *Maintenance OEM & Distribution Coordinator, A.I.MAN.*

11.30: Successful bearing handling and monitoring to increase machine availability and efficiency in food industry

Claudio Cupini, *Field Sales Engineer Lifetime Solutions, Schaeffler*

Stefano Marotta, *Field Service Engineer Lifetime Solutions, Schaeffler*

12.15: Innovation at production's service

Demetrio Federico Nettuno, *Application Engineer Aftermarket Business Unit, NTN Italia*

Organized by

Managed by

Tuesday, Sept 17th

Afternoon Session

Room 1

Chairman: Giorgio Beato - *President*, **A.I.MAN.**

14.15: Casing Distortion - the hidden enemy of rotating machinery

Jan Lindström, *Sales Engineer*, **Easy-Laser**

15.00: Driving Efficiency & Sustainability with O&M for Energy Onsite Solutions: a best practice

Daniele Francone, *Head of Sales*, **Centrica Business Solutions**

Marco Rizzo, *Account Manager*, **Centrica Business Solutions**

15.45: When 7 Dwarfs of maintenance management meet the Snow white of Lean Production

Baowen Li, *Vice Chairman*, **CAPE**

Room 2

Chairman: Marcello Moresco - *IPT Customer Support & Service Leonardo/Maintenance & Service Coordinator*, **A.I.MAN.**

14.15: Transforming Industrial Maintenance from Insights to Impact

Johnny Sieger, *Manager CoE Performance solutions e RCO EMEA*, **SKF**

15.00: Speech by Olivier Ruttiens, Global Asset Reliability Lead, Barry Callebaut

Room 3

Chairman: Rinaldo Monforte Ferrario - *Board of Director Member*, **A.I.MAN.**

14.15: Sustainability, Technology and Reliability

Jim Hamilton, *General Manager AES Engineering*, **Aesseal**

15.00: Corporate Sustainability Reporting Directive

Janine Heemskerk, *Innovative Product Manager of Sdu*, **CSR.D**

Room 4

Chairman: Lorenzo Ganzerla - *Maintenance & Sustainability Coordinator*, **A.I.MAN.**

14.15: I benefici della trigenerazione nella produzione autosostenibile della Pasta Alimentare

Sabino Piumelli, *Technical Area Manager Barilla Foggia Plant*, **Barilla**

15.00: The RobétArmé project: an innovative human-robot collaborative construction system for shotcrete digitization and its related standardization activities

Elena Mocchio, *Innovation and Development Unit*, **UNI - Ente Italiano di Normazione**

Cristina Di Maria, *Research Project Manager*, **UNI - Ente Italiano di Normazione**

Federica Fugaroli, *Research Project Manager*, **UNI - Ente Italiano di Normazione**

Organized by

Managed by

Tuesday, Sept 17th

Room 5

Chairman: Fabio Calzavara - *HSE Plant Manager* **Stevanato Group/Maintenance & Safety Coordinator**, **A.I.MAN.**

14.15: The Supervisor: new protagonist of prevention

Manuela Salvalaio, *Lawyer*, **Studio Salvalaio**

15.00: Speech by Michele Montesor, *Prevention technician in the environment and workplaces*, **ATS Valpadana**

Room 6

Chairman: Mauro Pinna - *Maintenance Manager*, **Alfagomma Group/Coordinator Marche e Abruzzo**, **A.I.MAN.**

14.15: Practical application of smart Maintenance at Takeda in Lessines

Giovanni Seggio, *Head of Maintenance*, **Takeda**

15.00: Digitalisation support for the complete management of ERP and HR processes related to asset management: the integrated maintenance and safety platform for the management and analysis of data relating to supplier and cost control

Stefano Landini, *BU Manager Asset Management*, **Zucchetti**

Room 7

Chairman: Marzia Mastino - *Responsabile for reliability technology*, **Sarlux/Coordinator Sardinia**, **A.I.MAN.**

14.15: CORVINA Xservice – Moving from a reactive to a proactive service center

Waldemar Peisker, *Customer Success Manager CORVINA*, **EXOR Deutschland GmbH**

15.00: Rise of the Machines: AI and Robotics Transform Maintenance Forever

Diego Galar, *Professor*, **LULEA University of Technology**

Room 8

Chairman: Francesco Gittarelli - *Maintenance & Training Coordinator*, **A.I.MAN.**

14.15: The knowledge management process in industrial maintenance to face staff turnover and the need for new skills

Matteo Ferrari, *Project Manager & Senior Consultant*, **FESTO Training & Consulting**

Vittorio Pavone, *Product Manager & Trainer*, **FESTO Training & Consulting**

15.00: Optimizing Maintenance through effective Asset Management

Janez Tomazin, *Chairman*, **EAMC - European Asset Management Committee**

- 8.00 – Exhibitors - Exhibition Area Opening
- 9.30 – Attendees - Exhibition Area Opening
- 10.00 – 11.00 Plenary Room Session
- 11.00 – 11.30 Coffee Break

Maintenance Excellence Session

Room 1

Chairman: Alessandro Spadini - *Parma Plant Director*, **Barilla**

11.30: Approach to digital twin for monitoring maintenance and energy-aware production
Parisa Esmaili, *Assistant Professor*, **PoliMi**

12.15: Analysis of the Accidental Shutdown of a Cement Kiln: Causes, Impacts, and Improvement Strategies
Andrea Oliaro, *Maintenance Engineering Coordinator*, **Buzzi Unicem**

Room 2

Chairman: Rosario De Marchi - *Direttore industriale e integrazione*, **Collis Wine**

11.30: Risk Analysis in Process Plants under the Seveso Directive: Crucial Role of the Collection and Analysis of Near Misses and Latent Failure Data
Chiara Vianello, *Assistant Professor*, **University of Padova**

12.15: Maintenance of the Maintainer
Pietro Marchetti, *Technical Services Manager*, **Adler Pelzer**

Room 3

Chairman: Antonio Lotito - *Maintenance Engineering*, **Casillo/Coordinator Puglia**, **A.I.MAN.**

11.30: Agile Maintenance Manager, when the PM meets the PM
Mauro Pinna, *Maintenance Manager*, **Alfagomma Group**

12.15: Digital Transformation and Predictive Maintenance
Alberto Fassio, *Head of the North Area & Plant Operations*, **Rai Way**

Room 4
